

# DECLARATION

IN REISSUE APPLICATION

Attorney Docket No.

P405.12-0001

As a below named inventor, I declare that:

1. I am a citizen of United States, now residing at Fond Du Lac, Wisconsin.
2. I believe that I am the original, first and sole inventor of the invention described and claimed in U.S. Patent No. 5,888,109, issued March 30, 1999, and in this reissue application.
3. I have reviewed and understand the contents of the above identified specification, including the claims as amended by any amendment. I acknowledge the duty to disclose information which is known to me to be material to the patentability of this application in accordance with 37 C.F.R. 1.56.
4. I believe U.S. Patent No. 5,888,109 is partly inoperative by reason that I did not claim my invention in claims of the scope to which I am entitled and in terms fully defining its intended scope. As a result, I claimed less in my U.S. Patent No. 5,888,109 than I had a right to claim. With this reissue application, I am seeking broadened claims within two years of the patent grant. In addition, I am seeking to correct errors contained in original dependent claims 4, 21, and 26.
5. I believe that all errors, resulting in my claiming less than I had a right to claim in U.S. Patent No. 5,888,109, arose without any deceptive intent on my part.
6. All statements made herein of my own knowledge are true and all statements made on information and belief are believed to be true; and further, these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.
